Address: 66 Woodward St San Francisco, CA 94103

Phone: 408.656.1868 | Email: [kyledmeier@gmail.com](mailto:kyledmeier@gmail.com) | Website: <http://kylemeier.com>

## TECHNICAL SKILLS

- HTML5
- CSS3 (SASS)
- Javascript
- Git
- Responsive Websites
- VBA

## PROFESSIONAL EXPERIENCE

**Freelance Web Developer, Self, San Francisco, CA**

**May 2013 - Present**

- Utilized HTML5, CSS3 (with SASS) and Javascript to develop elegant responsive sites
- Used Git through my terminal as my revision control system
- Developed a personal CSS reset
- Familiar with Bootstrap, but prefer building customized responsive design
- Built a responsive spec site  
[Kale Bar](#)
- Re-designed a website's frame to be more user friendly and completely responsive  
[Their Version](#) || [My Version](#)
- In progress: Turning the color/style requests of the three moderators into reality  
[Live version \(no styles\)](#) || [My version \(very early stages\)](#)
- In progress: a fitness app in HTML/CSS/Javascript (currently focusing on building out the backend before styling and am happy to discuss exactly what I'm working on with this)  
[Fitness App](#)

**Technical Support Specialist Tier II, Practice Fusion, San Francisco, CA**

**Oct 2012 - Feb 2014**

- Utilized SQL to address escalations from Tier 1 and customer service
- Analyzed Netsuite data to test hypotheses
- Scripted Excel macros to help automate the processing of patient demographic files and disperse the macros to my team
- Cut processing time of a weekly generated raw data file from ten minutes to 40 seconds by scripting an Excel macro

**Customer Support Specialist, Practice Fusion, San Francisco, CA**

**Sept 2011 - Oct 2012**

**Google Apps Technical Support Representative, Google, Mtn View, CA**

**Sept 2010 - Sept 2011**

**MSI (Modified Supplemental Instruction) Leader, UC Santa Cruz**

**Oct 2008 - June 2010**

## EDUCATION

**Bachelor of Arts in Business Management Economics, June 2010**

University of California Santa Cruz, GPA 3.71

Honors: Cum laude, Dean's list 2008 Fall Quarter and 2010 Winter Quarter
